

Ecumenical Advocacy Days invites you to attend a special faith event at Upper Senate Park

Prayer Vigil

Monday, March 28, Noon - 1 p.m.

Join us on Monday, March 28 from 12:00 p.m. to 1:00 p.m. in Upper Senate Park to pray for our country as we consider the implications of proposed federal budget cuts and what those cuts say about us as people of faith. We cannot balance the federal budget on the backs of the poor and vulnerable who are already burdened. Please pray with us as we reflect on these budget decisions during difficult economic times.

We need to protect funding for families struggling to overcome poverty.
