Lobby Visit Planning Sheet

EAD “Ask”

We call on Congress to act with compassion and exercise fiscal responsibility by redirecting funding used for deportations, detention and border militarization, and invest instead in our communities and support for refugees while increasing poverty-focused and peacebuilding international assistance, which addresses many of the root causes of forced migration.

Share personal stories about why this issue matters to you. You don’t need to be an expert -- your members of Congress work for you and care about your opinions. Telling your story is an important way to connect with the values and priorities your members of Congress care about, and it can help change their minds.

Remember: Be polite and respectful! This meeting is part of building a relationship with your member of Congress. Find common ground where you can.
